

## DATES TO REMEMBER

Harmony Day  
29th March 2023

Term 1 2023 ends  
Thursday  
6th April 2023

# Principal's Message

Dear Parents and families,

Welcome back to the 2023 school year. It is wonderful to see the students all settling in so well after the holidays. We welcome twenty-six new foundation students and some other students new to our school. It is a substantial change for our foundation students getting used to the routine of school life.

We also welcome several new staff across the school. Kim Pearce is new to our administration team, Chris Haba, Elise Mai, and Jack Lawicki are new teachers, Jenny Hwang and Joshua Rebeiro are education support officers and Iris Wang, speech pathologist who has joined our therapy team.

## Student Support Group Meeting's (SSC's)

In week six we will conduct our SSG meetings with parents or carers. These meetings can be held face to face, via Webex or teams or over the phone. This is an important opportunity for you to discuss the priority goals for your child's learning and we highly value your input into these meetings as when we work together, we can achieve better results.

## Student attendance

All students are expected to attend school every day unless there is a valid reason such as the child is sick. You must notify the school or class teacher that your child will be absent. Attending school will help your child develop important skills and knowledge and to help them learn social and emotional

skills and to work towards achieving their individual goals. The department has made it clear that parent choice is not an approved reason for students to be absent. All absences more than one day will be followed up by the school.

## School Uniform

Springvale Park SDS has a compulsory school uniform. We believe that students adopt a sense of pride in their appearance when wearing their school uniform and it also promotes a sense of belonging to the school. A uniform order will be attached to the newsletter.

## Annual privacy reminder for our school community

Our school collects, uses, discloses, and stores student and parent personal information for standard school functions or were permitted by law, as stated in the Schools' Privacy Policy. Please take time to read our school's collection notice, found on our website <https://www.springvaleparksds.vic.edu.au/>

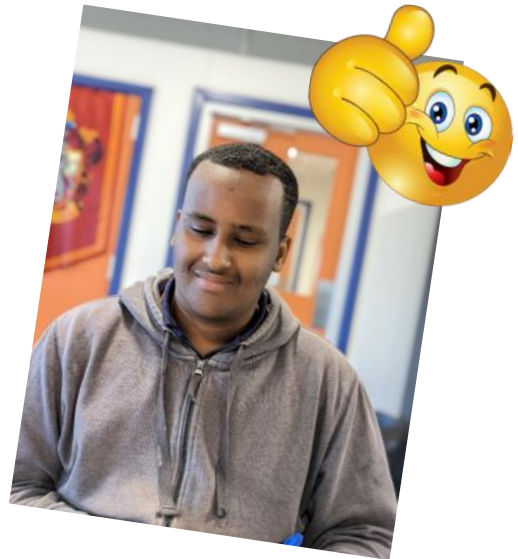

We ask parents to also review the guidance we provide on how we use [Arc | Software | Microsoft 365 \(educationapps.vic.gov.au\)](#) safely at the school and what parents can do to further protect their child's information. If after reviewing the guidance, you have any questions or concerns regarding your child using [Microsoft 365/Google Workspace for Education], please contact the school. For more information about privacy, refer to: [Schools' privacy policy: information for parents \(education.vic.gov.au\)](#) . This information is also available in ten community languages:

## Principal's Award

Salman is a polite and helpful student who embodies the Springvale Park values of Compassion and Respect. He is always asking other students if they need help and offering his hand in friendship to newcomers to our school. Salman is always respectful to staff and students and ready to step in and assist in any way when someone needs help or a friend. Well done, Salman.

Room 24

# Fun times in Room 24

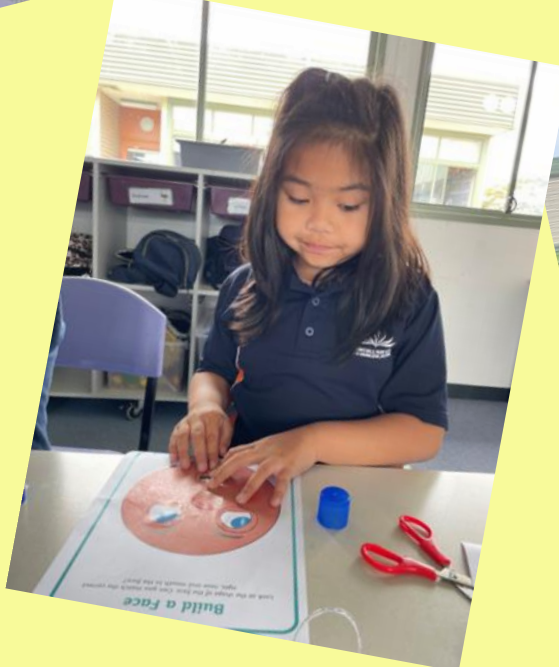

It has been an amazing year so far for the group. We have all increased our confidence in class through our leadership development and work development skills. We have enjoyed working with other classes and completing activities such as bike riding, shopping, cooking, gardening, Yoga and visiting various parks. Thank you students for your achievements and the beginning of a memorable year. Adam & Rosie :-)

The start of the year for Room 26 has been a busy time. We have all settled in to a routine of learning and having fun outdoors.

# Room 33

Our class made cupcakes for Valentine's Day. Everybody did a great job of mixing the ingredients together and decorating the cupcakes with delicious icing. Ciara and Jane did a great job of washing and drying the dishes afterwards. Well done Room 33!

# Room 34

Room 34 is a classroom of ten boys, as well as teacher Chris and ES Michael. We have had a wonderful start to the year. We have already started talking about geography and the places which are important to us, English and comprehension as well as number operations in Maths and Australian animals in Science. It looks to be the start of a busy and educational year, especially for our upcoming graduates. Things we are looking forward to moving forward are more sports as well as exciting activities in and out of school. Welcome to 2023.
