PURPOSE

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school. School staff have a vital role in protecting children from harm and are well placed to observe signs or behaviours that may indicate risks of child abuse.

All Springvale Park Special Developmental School staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

ACCEPTABLE BEHAVIOURS

As Springvale Park Special Developmental School staff, volunteers, contractors, and any other member of our school community involved in child-connected work, we are responsible for supporting and promoting the safety of children by:

- upholding our Springvale Park Special Developmental School commitment to child safety at all times and adhering to our Child Safety and Wellbeing Policy.
- treating students and families in our school community with respect in our school environment and outside our school environment as part of normal social and community activities
- listening and responding to the views and concerns of students, particularly if they disclose that they or another child or student has been abused or are worried about their safety or the safety of another child or student
- promoting the cultural safety, participation and empowerment of Aboriginal students, students with culturally and/or linguistically diverse backgrounds, students with a disability, international students, students who are unable to live at home and lesbian, gay, bisexual, transgender and intersex Lesbian, Gay, Bisexual, Transexual, Intersexual and Queer (LGBTIQ+) students
- ensuring, as far as practicable, that adults are not alone with a student – one-to-one interactions between an adult and a student are to be in an open space or in the line of sight of another adult.
- reporting any allegations of child abuse or other child safety concerns to the Principal or in her absence a Child Safety Officer or a member of the leadership team as soon possible.

Springvale Park Special Developmental School

- understanding and complying with all reporting and disclosure obligations (including mandatory reporting) in line with our Child Safety Responding and Reporting Policy and Procedures and the [PROTECT Four Critical Actions](#).

UNACCEPTABLE BEHAVIOURS

As Springvale Park Special Developmental School staff, volunteers, contractors and members of our school community involved in child-connected work we must not:

- treat a child or student unfavourably because of their disability, age, gender, race, culture, vulnerability, sexuality or ethnicity
