

Dear Parents and Carers,

We have received a supply of **Rapid Antigen Test kits**. These kits are free and are available for each student and staff member at our school. **You will need to complete a RAT test each morning for your child before they attend school.** This is strongly recommended to keep our school and community safe. I sent out a letter yesterday via Seesaw and also on the website detailing how to use the test kits. This information can be translated by following the link in the letter sent yesterday.

Students and staff who receive a positive test result must report it to the school and through the Department of Health (Rapid Antigen tests/ Coronavirus Victoria) or via the Coronavirus hotline at **1800675398**.

If you have any questions or concerns, please contact the school on 9546766.

You can collect the RAT tests today until 4 pm from the front office. Please call the office and wait for someone to bring the tests out to you.

Thank you

Jackie
