Dear parents and carers

Thank you for supporting your children and our school staff this week. We are excited to see the students return to school today.

The wellbeing of all our students and staff is our priority and we are here to support you and your family. Information that might be of assistance to you in talking to your child about COVID-19 is available. If you are concerned about your wellbeing or that of your child, please contact the school so we can talk with you about how we can best assist. Other sources of support include: Parent Line 13 22 89 and Kids Helpline 1800 55 1800 .

The Department's COVID-19 helpline is also available on weekdays from 8.30am to 5pm on 1800 338 663 . If you speak a language or languages other than English and you would like further information, interpreting services are available by phoning 131 450 first.

For our families with a child with a disability, the Association for Children with a Disability (ACD) has additional information.

And, finally, a reminder that if you, your child, or a family member develops symptoms of COVID-19 you should get tested at a COVID-19 testing facility and stay home.

Each family should regularly check the list of public exposure sites in Victoria (where a person with COVID-19 has attended), and if anyone in the family has attended a site at the times listed, follow the instructions given.

Please don't hesitate to contact your child's teacher or contact the school if you have any concerns.

Kind Regards
