## **VISION**

Our vision at Springvale Park Special Developmental School is to empower our students by building independence through functional life skills, communication and to equip them for the world in which they live.

## **VALUES**

Compassion  
Integrity  
Respect

## **MISSION STATEMENT**

At Springvale Park Special Developmental School we believe we have a responsibility to shape the fabric and identity of the school as a learning community which will maximise independence, individual potential and meet the needs of all learners.
